Re: EOT – 25019, Item 85 (SUP-6932)

Regarding the above referenced item number coming before the Las Vegas City Council on Wednesday, December 19, 2007, this is a request to postpone hearing the above referenced item until February 6, 2008 for the purposes of reassessing the use of the space.

Additionally, there is no harm done by a postponement of hearing this item, as the applicant will not be operating any business in the premises prior to this matter being heard.
